

Dear Parents,

Welcome to St. Cyprian's Episcopal School and thank you for your interest.

Applying is easy using our Online Application as it simplifies submission and provides parents a tool for tracking online the status of their admission after their application has been submitted.

To begin the Online Application process, visit our school website at [www.saintcyprians.org](http://www.saintcyprians.org). Select the Apply Today to Create an Account. Upon account creation, you will receive an email containing a verification link. Once your email address has been verified, log in to your account and select Create A New Student Application for your child. You will then have the flexibility to log in and out of your account and access your open application.

A non-refundable fee of \$50 must be submitted with each application.

After submitting the application, you will be able to track your admissions status at the school by logging in to your account. In addition, you will be able to print the completed application, monitor when the school receives any applicable supplemental forms and, if necessary, reprint the forms.

We appreciate your interest and hope to assist you any way we can. If you have not already done so, please consider making an appointment to visit. We would very much like to meet you and encourage you to tour our school and campus.

If you have questions, please feel free to contact us at 936-632-1720.

Sincerely,  
School Administration
